

Barbercita Kiosk Install Guide

This is simple. You have two options:

Option 1: Follow all the normal steps like a responsible adult.

Option 2: Skip everything because patience is overrated. Use the direct link and be done.

Direct Download (for people who refuse to read instructions):

<https://barbercita.com/marketing/download/kiosk-apk>

If you still want to install it the classic Downloader way, the code is:

2372554

How to allow installs from unknown sources:

Firestick: Settings. My Fire TV. Developer Options. Apps from Unknown Sources. Turn it On.

Google TV: Settings. Apps. Special App Access. Install Unknown Apps. Select Downloader. Allow.
